

We are so thankful that you have chosen to worship with us today. If you are visiting let me welcome you and ask that you please fill out a Connection card found in the pew and return it to an usher at some point today. This week is Valentine's Day, which brings good news because— whether single, married, divorced, separated, or any other sort of status— people can connect to the best kind of love, God's love. Instead of mentioning romance in 1 Corinthians 13, the great love chapter teaches about the love of God: agape love, everlasting love, unconditional love, unselfish love. The Bible teaches that God is love. In the language of mathematics, *God = love*. In a philosophical sense, God is so wrapped up in love that He is one with love itself. Unlike a lovesick admirer, God does not simply profess His love in words. God proves His love in action. The Bible says, "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us" (Romans 5:8). Jesus Christ's sacrifice represents the ultimate act of love because it shows God's grace. Christ died in order to bring people closer to God. Billy Graham says, "The fact that God is love does not mean that everything is sweet, beautiful and happy and that God's love could not possibly allow punishment for sin. God's holiness demands that all sin be punished, but God's love provided a plan of redemption and salvation for sinful people." The Bible says, "If I give all I possess to the poor and surrender my body to the flames, but have not love, I gain nothing" (1 Corinthians 13:3). In speaking of love, 1 Corinthians 13 challenges people to do everything out of love, specifically the kind of love that God has shown through Jesus. Love is the motive. That means loving friends, enemies, neighbors, co-workers, spouses, children, parents, and even strangers with the merciful and selfless love that comes from God. What a great challenge!

For His Glory,
Pastor Justin
