

We are so thankful that you have chosen to worship with us today. If you are visiting let me welcome you and ask that you please fill out a Connection card found in the pew and return it to an usher at some point today. Allow me to say how grateful I am for this past week's business meeting. Not many pastors can speak those words but I surely can. In an incredible step of faith, our church voted to make a major investment in the Kingdom of God. In adopting the proposed budget, the church has committed to spending over \$260,000 on missions in our community, nation and around the world. Not only that, but they approved a budget that financially strengthens our church's future. Over the next 5 years our budget will provide \$1,000,000 in capital improvements. How is all of this possible? Because of your faithful giving. Let me encourage you that we are committed to utilizing your faithful tithes and offerings to strengthen the church, its ministries and the Kingdom of God. This budget is a step of faith because it was adopted believing our remaining debt of \$88,658 will be paid off by August 31, 2018. I hope that you will join me in praying to that end and if led to contribute to that goal. While it is important to celebrate such an investment in missions, money alone saves no one. It is simply the means to accomplish such a task. What is still required is the endless work of serving and sharing the good news throughout our neighborhoods and unto the nations. How will you help in reaching those who have not believed? Thank you again for worshipping with us and may the Lord bless and use you this week.

For His Glory,
Pastor Justin
