

**W**e are so thankful that you have chosen to worship with us today. If you are visiting, let me welcome you and ask that you please fill out a Connection card found in the pew and return it to an usher at some point today. The Gideons International is an Association of Christian business and professional men and their wives dedicated to telling people about Jesus through associating together for service, sharing personal testimony, and by providing Bibles and New Testaments. While they are often recognized for their work with hotels, they also place and distribute Scriptures in strategic locations so they are available to those who want them, as well as to those who may not know they need them. It is my joy this morning to have one of our own, Bro. David Roberson, lead our service and share the work and need of the Gideons. Please prayerfully consider making a financial gift to this ministry that the Word of God may be placed in needing hands around the world. I look forward to being back with you tonight as we worship and continue our series, Testify.

For His Glory,  
Pastor Justin

**BACKPACK PROGRAM**

Are you aware that we as a church are responsible for feeding 30 children from Black Oak Elementary every weekend and holiday? Since the start of school we have invested over \$5250 in food so that these children do not have to worry about where their next meal will come from. Saying that, we are in desperate need of your help to be sure that we can continue supplying meals until

summer. There are roughly 16 weekends, a few holidays and spring break that we need supplies for. Our immediate goal is \$3750 which will provide for these times. However, I want to ask you to consider giving more. Our intention is to continue this ministry next year and even increase the help we offer at Black Oak. I can assure you that every dollar you give will be used this year or next to feed children in our community. A donation list will also be available next week if you prefer to purchase items yourself.
