Each week they have to recruit around 500 people in order to meet the needs of patients in West TN hospitals. Only 5% of those people that are eligible actually donate blood. Every 3 seconds someone needs blood in the United States and approximately 14 million pints of blood are transfused annually in the United States. LIFELINE is projected to need around 24 to 25,000 pints of blood this year for these hospitals and helicopters. You can give blood every 56 days or 8 weeks. **LIFELINE is at HealthQuest the 4th Monday of every month from 1:00-7:00 PM. Next opportunity to give blood is tomorrow!**
- **Weekly bulletins:** You may view by visiting secondbaptistuc.com and clicking on Resources, Weekly Bulletin then the lines to the right of the page.
- **Visit the Welcome Center:** You will find information on events, sign-up sheets and if you have misplaced your Bible or other items, you may find it here.
