

We are so thankful that you have chosen to worship with us today. If you are visiting, let me welcome you and ask that you please fill out a Connection Card found in the pew and return it to the Guest Services desk after worship today. While the weather outside still feels like summer, the fall schedule at church is in full swing. The last two weeks, we have seen over 350 people on campus for Wednesday night programs. Our Wednesday night supper relaunch has been incredibly well attended with over 200 participants last week. I am so excited with the growth of our children's and student ministries, Life Groups and more. Let us recognize God's favor and blessing upon our church in this season. Henry Blackaby stated in Experiencing God, "Find where God is at work, and join Him." I challenge you to find that place in our church where God is at work and join Him. Choir, kids, students, missions— it doesn't matter— just get connected and experience His presence.

On top of all that is taking place within the church we are excited about the ministry beyond. I am so excited to tell you that our partner church in New York City, the Bridge Community Church, is doing well. They conducted their first baptism service recently and have outgrown their current worship location. Pray for the Lord to open doors in regards to a larger worship space. Our intentional partners are continuing to see God move and work among the nations. Thank you for your support and prayers for these partners. May God bless you as you worship today and may you serve Him faithfully in the week to come.

For His Glory,
Justin Hiens

Thank You

Young at Heart would like to thank Sam Sinclair, Sr. for the devotion, Jack Long for the program and all those who helped set and clean up and brought food for last week's meeting.
