

We are so thankful that you have chosen to worship with us today. If you are visiting let me welcome you and ask that you please fill out a Connection card found in the pew and return it to an usher at some point today. What an incredible month we just completed. A time of celebration and recommitment to the Lord who has done so much for our church. As we adjust to being a debt free church, I want to encourage you to continue giving to the work of the Lord. We are already seeing fruit in our investment into missions. We received the names of 10 pastors and families that we now support on a monthly basis. Bridge Community Church in New York is gearing up for a preview service and fall outreach this month, thanks to your support. Also, we are days away from finalizing an agreement for a new ministry center in town to be voted on by the church. While the building has been paid for, the day to day mission of the church still requires your faithful support. I pray that you have a meaningful worship experience and that the Lord will bless and use you this week.

For His Glory,  
Pastor Justin
