

We are so thankful that you have chosen to worship with us today. If you are visiting let me welcome you and ask that you please fill out a Connection card found in the pew and return it to an usher at some point today. I pray you feel the Lord's presence here. The past few weeks have been hot and humid here in West Tennessee. When the weather is like this, it is important to take extra precaution not to overexert yourself and to maintain hydration. The consequences of not heeding such advice can have deadly consequences. I also want to remind you that we are serving the Lord in a difficult season. God is at work at Second Baptist Church, and as a result, Satan is increasing his pressure and attacks. As the spiritual heat rises, I want to encourage you to take the proper precautions. First, you need to be sure you are walking in His power and not your own. Your giftedness and servant history are inadequate for the daily demands upon you. It is essential that you stay refreshed and renewed in your walk with the Lord. Second, in order to accomplish this, you must make time in His Word and prayer a priority. I pray that you allow the Word of God to soak into your life and refresh you this week. I'm praying for you to stand firm during this season and ask that you pray for me as well. Thank you again for worshipping with us and may the Lord bless and use you this week.

For His Glory,
Pastor Justin
