a letter from the pastor

Limitless! That is the new theme of the International Mission Board. It conveys the heart and desire of that organization in reaching the world for Jesus Christ. Limitless giving, sending, praying, going, serving, leading, and the list goes on. As I think about what lies ahead of Second Baptist Church over the coming decade, this word resonates within my heart. We too, must be limitless in our efforts. William Carey, the father of modern Missions, once said, "Expect great things from God, attempt great things for God." I pray that we would not only expect great things but would attempt them as well. During the month of July we will highlight the top three regions for strategic mission focus: North Africa and the Middle East (N.A.M.E.), East Asia, and Europe. Make sure that you are praying and seeking to understand God's heart for these regions. This effort is only part of the limitless work God has called us all too.

While this missional journey is one of faith, it is not the only journey of faith our God has called us to. Over 17 years ago, God moved our church to a journey of faith that has culminated in relocation, building and growth. We are on task to pay off the balance of our current loans in August 2018. This is an incredible milestone and will dramatically change the life of our church. Not only will it free up funds for new missionary work, it also allows us to consider the completion of Phase 3 in our building program. Therefore, during the July business meeting I will be asking the church to recommend the nominating committee form a new Vision & Planning Committee for the purpose of developing a plan for the completion of phase 3.

Whether it is the ministry at home or our missionary work around the world, God has called us to limitless service and devotion. One of the key realities in all these things is money to accomplish them. Let me encourage you to faithfully give your tithes and offerings each week. I know that many are traveling during this summer season but join me in committing to stay faithful in your giving and in your service. While on paper we are behind in our budget, I would simply remind you that last year was the largest single increase in our budget history. It was a step of faith in excess of \$91,000. In light of this, I will remind you that we are on track to take in the largest undesignated offering in our church's 65 year history. Let us thank God for such blessings and continue to faithfully steward all that he has entrusted to us individually and corporately as the body of Christ.

For His Glory,
 Justin Hiens
