MARCH 23, 2020

FROM THE PASTOR

Sunday as I looked out on an empty sanctuary, I found myself overwhelmed with hope. Despite the barrenness of our weekly gathering, the church scattered was alive in homes across our region. In the 24 hours since, our Sunday service was viewed over 5,000 times on multiple platforms. Many have expressed renewed spirits, fresh experiences with family and even missional opportunities. The days ahead are full of uncertainty but one thing is sure— Jesus is still on the throne and something powerful is stirring among His people. A passion for corporate worship grows deeply each day we are hindered from meeting. As we wait upon the Lord, let us pursue Him in our hearts from our homes. I want to remind you that we continue to monitor the situation in our nation and community with great detail. We will again worship together virtually this coming week. I am grateful for the tech team God has given us at Second Baptist. Our sound, lighting, video and media volunteers are often overlooked for the service they give, yet I want to encourage you to thank them the next time you see them. I appreciate their time and investment in making sure our services are done with excellence. Please remember that we are here to serve you during these days. Whether it's grocery pick up, medications or prayer, we stand ready to help.

For His Glory,
Pastor Justin
