Our family would like to personally thank you for the delicious meal that was provided for us after the memorial service for Jerry Gurien. This token of love is so appreciated. Thank you also for the beautiful flowers that were sent. We are so thankful and blessed to be a part of a loving church family.

Beverly Vernon

We appreciate so much you thinking of us during this time of loss. Thank you for the beautiful spray you provided for mother's funeral. We love and miss you all so much. Until you look for another church you never realize how blessed you are to be a part of such a special fellowship of believers as Second Baptist. Special thanks to Bro. Justin for spending so much time with the family and to the ones who provided such a wonderful meal. The fellowship time with family and friends is something Estelle would have enjoyed and we certainly appreciate it. God bless you all.

Kenneth & Tamara Hargrove

We would like to thank the WINGS group for the towels, washcloths and all the personal hygiene items for use at UCES. We have so many students who will benefit from your kindness. Thank you again from the bottom of our hearts.
